

Lichfield drawings

These are all done in 'oil stick' on A2 heavy paper (42 x 59 cms); the prices overleaf are for the unframed sheet and are not only at something of a reduction from the usual 'artist's price' but Jonny has said that he will donate 25% of the total to the St Andrew's Choir US Tour Fund for next year's trip to New York &c. So, of your cheque for £150 we keep nearly £40.

The prints will be in a signed edition limited to the number ordered as at 17th September 2009. Jonny will bring all the orders to London for the last weekend in September. If there's interest he is thinking of making a set of greetings cards in time for Christmas, from some of the images...
